

2nd Annual IIES Scientific Workshop

August 21 – 24, 2016

University of Eastern Finland, Kuopio

On behalf of the organizing committee it gives us great pleasure to invite you to the 2nd Annual IIES Scientific Workshop, which will be held at the University of Eastern Finland, Kuopio, Finland, August 21-24, 2016. The theme of the Kuopio workshop is aimed at raising the IIES profile in communicating effectively not only amongst researchers but also with representatives from government agencies and the industry, covering cross disciplinary studies in environmental research.

The workshop will be a forum where participants can describe current research ideas, share ideas, identify important problems, as well as formulate future research directions and enhance their international collaboration. The venue also guarantees a successful technical meeting amidst the beautiful lake scenery of Kuopio.

'The vision of the International Institute for Environmental Studies is to become a global leader in the development of research and policy for the management of environmental issues having international dimensions. To meet this vision the Institute shall bring together world class research scientists and policy analysts from institutions from around the globe to work collaboratively, sharing expertise, facilities and research programs.' (Trent University)

2nd Annual IIES Scientific Workshop, Kuopio invites authors to submit abstracts on the following topics:

1. **Environmental Processes**
2. **Environmental Health**
3. **Green Technologies**
4. **Environmental Policy**
5. **Air Quality and Health**

The abstracts of up to 250 words, written in English, should be submitted electronically to:

karin.koivisto@uef.fi

Deadline for abstract submission: June 15, 2016

All abstracts will be reviewed immediately after submission. Your presentation may be accepted as a poster display even though you submitted for a paper session. If your submission is accepted as a poster, you will be expected to prepare a poster display for presentation at the workshop.

Once your abstract is accepted, you must register before we can schedule your presentation. For invited presenters and attendees from IIES partner institutions the participation in the workshop is free of charge and accommodation will also be provided by the organizer.

Nevertheless participants from non-IIES partner institutes are also warmly welcome to join the workshop. For them a registration fee of 250 EUR will be charged for workshop participation, and their accommodation payments have to be made directly to the hotel upon departure.

The Workshop website is under construction and will include detailed information on agenda, accommodation and travelling, but you can already register through the following link:

<https://elomake.uef.fi/lomakkeet/14163/lomake.html>

Should you have any additional questions, please do not hesitate to contact us.

We look forward to welcoming you all to Kuopio and hope your stay will both be rewarding and enjoyable!
